SICK AND INJURED.

The following members of the Police Department are reported on sick and injured leave:—

Injured: A. Gladding, 3604 Randolph St.

Sick: K. D. Caldwell, 1851 E 38th St.; Geo. J. Ely, 426–35th Street.

MISSING PERSON.

GERALD F. TEVLIN, son of Mr. and Mrs J. Tevlin, 2704 Chestnut St., disappeared April 5, 1919.

Age, 13 years and 9 months; height, about 4 feet 6 inches; weight, about 100 lbs.; hair, medium red; eyes, blue; complexion, fair. He has been accustomed to knee pants, a corduroy suit, may be dressed in a pair of long dark colored trousers and a blue serge coat, plaid checkered cap. He took with him, a reddish yellow collie dog answering to the name of Queen, and his bicycle.

He left in company with one Bill Johnson, a junk peddler, age about 40 years; grey hair; short medium build. This junk peddler drives a bay team to an old bakery wagon painted light yellow and can be seen for a long distance. This peddler is accustomed to finding secluded places to camp and usually stays in his outfit.

If this outfit is located, having the boy along, detain the boy and notify the parents at above address and communicate with this office at once.

LOOKOUTS! ATTENTION!

The attention of the members of the Police Department is called especially to the large number of hold-ups and burglaries which have taken place in the city of Oakland. It is considered that if more diligence is exercised by the members of the Department, particularly at night time, that these perpetrators of outrages in the city of Oakland may be apprehended.

Suspicious characters should be stopt and searched in the late hours of the night, and persons who are suspicious in location or demeanor should be sent in for investigation.

The following descriptions are given that are general in character, and it is to be understood that the descriptions are general and that the clothing may be changed, and officers must exercise more diligence and more care at night time on the streets of the city.

For robbery: No. 1. Age, 24 years; height, 5 feet 6 inches; weight, 150 lbs.; stocky build; long overcoat.

No. 2. Height, 5 feet 10 inches; weight, 145 lbs.; slender build; brown suit, light brown cap.

For burglary: No. 1. Black negro; age, 25 years; height, 5 feet, 10 inches; weight, 150 lbs.; olive drab suit, sometimes a suit of greenish tinge.

No. 2. Light brown negro; height, 5 feet 11 inches; fair complexion; dark, thread-bare suit, dark soft hat. 'Lone-house' burglar, wore a cap.

Officers should become familiar with the location of safes and keep a constant watch concerning them with a view toward apprehending possible "safe men" who probably will operate by the use of an acetylene welding outfit consisting of an oxygen tank and torch which can be carried in an automobile or by hand.

OPERATIONS OF THE COURTS.

GENERAL ORDER.

OFFICE OF CHIEF OF POLICE. — CITY OF OAKLAND, CALIFORNIA.

May 23, 1919.

Commanding Officers,
All Divisions:

The following letter from the U. S. Naval Training Station, San Francisco, Calif., is quoted below for your information and future guidance:

"May 22, 1919.

"Chief of Police,
"Oakland, Cal.

"Sir: I have to request that whenever any man attached to this Naval Training Station or the Receiving Ship is arrested or taken into custody, a statement of the case, giving the man's name, rate, and reason for arrest, be telephoned without delay to "The Commandant" or "The Executive Officer" at this Station.

"Call Kearney 2940 and ask the local exchange for the Commandant or Executive Officer.

"When men are absent or unaccounted for a certain length of time they technically become deserters, which status necessitates much clerical work and other procedure, all of which might be avoided if we knew the whereabouts of the men and the reason for their absence. Moreover, many of the Apprentice Seaman here are youthful, and mischievously may do things of a serious nature but without criminal intent. It is thought, that it will be advantageous to all concerned to co-operate for their welfare and correction.

"Very respectfully,

"(Signed) H. B. PRICE, Captain,
"U. S. Navy, Commandant."

By order of J. F. LYNCH, Chief of Police.

CHIEF'S OFFICE

Vol. VI — OAKLAND, CALIF., May 27, 1919 — No. 22

J. F. LYNCH, Chief of Police.

GENERAL ORDER.

OFFICE OF
CHIEF OF POLICE.

CITY OF OAKLAND,
CALIFORNIA.

May 23, 1919.

Commanding Officers,
All Divisions:

The following letter from the U. S. Naval Training Station, San Francisco, Calif., is quoted below for your information and future guidance:

"May 22, 1919.

"Chief of Police,
"Oakland, Cal.

"Sir: I have to request that whenever any man attached to this Naval Training Station or the Receiving Ship is arrested or taken into custody, a statement of the case, giving the man's name, rate, and reason for arrest, be telephoned without delay to "The Commandant" or "The Executive Officer" at this Station.

"Call Kearney 2940 and ask the local exchange for the Commandant or Executive Officer.

"When men are absent or unaccounted for a certain length of time they technically become deserters, which status necessitates much clerical work and other procedure, all of which might be avoided if we knew the whereabouts of the men and the reason for their absence. Moreover, many of the Apprentice Seaman here are youthful, and mischievously may do things of a serious nature but without criminal intent. It is thought, that it will be advantageous to all concerned to co-operate for their welfare and correction.

"Very respectfully,

"(Signed) H. B. PRICE, Captain,
"U. S. Navy, Commandant."

By order of J. F. LYNCH, Chief of Police.

NOTICE TO GRAIN FARMERS

Owing to the fact that many thefts of grain are being committed all through the valley by parties with trucks, the farmers of Madera county should guard their grain with a little care, especially grain that is left in the field near the highway. When grain is once removed from a field it is a hard matter to catch the culprit, and a still harder matter to prove the stolen property. The best way to prevent grain thefts is to be careful about leaving grain around where it can be gotten at easily by persons with trucks and other conveyances.

BOY MISSING SINCE JULY 11

STANLEY LUCAS

Age 15 years, appears to be 17 or 18, weight 145 pounds, hair brown, eyes blue, fair skin, sunburned arms, face and neck. When last seen had on blue chambray shirt and khaki trousers. Frequently goes without hat.

He is a boy that likes to work around machinery and very likely will seek employment running a gasoline tractor or in a garage. Was running a Fordsom for his father at the time of his disappearance.

If you know of this young man's location, kindly call to his attention that his mother does not know whether he is alive or not. Stanley himself, or whoever has seen him on or since July 11, or knows his present whereabouts, is requested to phone Mrs. J. P. Lucas at her expense at Willows, or write to her at Glenn Post Office. His parents will not interfere with the boy's plans but greatly desire to be assured that he is getting along all right.

RESOLUTION OF COMMENDATION.

The following resolution was introduced by Commissioner F. F. Morse in the Council of the City of Oakland, September 10, 1919:

RESOLUTION No. 18958 N. S.

RESOLUTION COMMENDING OFFICER C. G. J. GARGADENNEC FOR UNUSUAL BRAVERY, EXPRESSING REGRET AT HIS UNTIMELY DEATH, AND EXTENDING SYMPATHY TO HIS BEREAVED FAMILY.

WHEREAS, C. G. J. Gargadennec, a regular patrolman in the Police Department of the City of Oakland, while in the brave discharge of his duty, was on the evening of September 4th, 1919, wantonly shot down by a man suspected of automobile theft, whom he had placed under arrest, and

WHEREAS, despite his serious wounds, Officer Gargadennec, finding his life again menaced by the culprit, shot his assailant and with remarkable courage and endurance subdued his two companions, and thus alone controlled the situation until the arrival of other police; and

WHEREAS, in his 48th year and the prime of his manhood, Officer Gargadennec was unable to withstand the severity of his wounds, and passed from this life to serve as faithfully under the Great Chief of the Universe; Now, therefore, be it

RESOLVED by the Council of the City of Oakland that we express our deep regret at the untimely passing of this brave and faithful officer, that we commend his courage and devotion to duty as a shining exemplar for his fellow members in the Department, and that we extend to his widow and family the sincere sympathy of his fellow officers, of the members of this Council, and of the citizens of this municipality; and be it

FURTHER RESOLVED that a copy of this resolution be spread in full upon the minutes of this Council and an engrossed copy thereof be by the Clerk transmitted to the bereaved family.

Passed by the Council of the City of Oakland, Sept. 10, 1919.

The tragic death of Officer C. G. J. Gargadennec, which occured on September 6, 1919, as a result of his brave battle with three bandits, single handed and alone, casts a gloom over our entire Department.

Notwithstanding the fact that Officer Gargadennec was mortally wounded, having received a bullet in the abdomen, fired from a revolver in the hands of Otto McMahan, the officer returned the fire, with the result that McMahan died later, at the Central Emergency Hospital.

Despite his injuries Officer Gargadennec displayed heroism to a superlative degree, by placing under arrest and handcuffing, Caesar Pelligrini and William Schulz, the companions of McMahan, and keeping them under control until help arrived.

The arrest of the men cleared up many robberies which have occured in this city recently.

C. G. J. Gargadennec was appointed a Patrolman of the Oakland Police Department, March 14, 1906, and has served with distinction in that capacity up to his untimely death. Pending the duration of the War owing to his capabilities he was assigned to the Neutrality Bureau, where he served with great ability. Always of a quiet nature, and with never a mark against his name, Officer Gargadennec was beloved by all members of the Police Department and by those who came to know him.

Endowed with a high conception of duty, coupled with a splendid character, indomitable courage, upright, truthful and honest he represented those necessary qualities that are so essential to a Police Officer.

Officer Gargadennec done his duty well and faithfully and his heroic conduct will ever live in memory and be always an inspiration to others. He died a Martyr to duty.

J. F. LYNCH,
Chief of Police.

HEADQUARTERS OFFICE

Regina, Sask. Canada.
September 9th, 1919.

To All Police Officers:-

On Monday August the 18th last, a young man giving the name of James D. Jordan secured employment from one James Hay, a farmer of Francis, Saskatchewan as harvest hand. Jordan stated that he had recently arrived from Alaska and that he made his Headquarters at San Francisco, California; that he was a native of Virginia where his father still resides.

Jordan was employed by Hay until Saturday, September the 6th last, when he left presumably for San Francisco, Calif. Immediately after his departure it was discovered that a lady's rat skin coat with the makers' name "Barries Limited" on hanger loop, also the name "Mrs. J. Hay" owner in indellible pencil on said loop was missing, as well as a man's blue serge suit and $1350.00 worth of Victory Bonds. One for $50.00, number V.231307, 3 for $100.00 each, numbers X.45420A, X.45421A, X.45422A, and one for $1,000.00 number M.4756T.

A few days prior to the departure of Jordan he wrote three letters and gave them to a neighbour to post, two of these were addressed to Rockford, Illinois (one to Mr. Jordan and another to Mrs. Jordan the first names and street addresses of these letters cannot be ascertained) another letter was addressed to a lady, the neighbour thinks it was Miss Jordan, Los Angeles, Calif. the first name and street address in this case also is unobtainable. At the local Post Office Jordan left a forwarding address of General Delivery, San Francisco, California.

Mr. Hay has laid an information against Jordan charging him with the theft of these goods and a warrant has been issued for his arrest, but the only evidence we have at present is the fact that these articles disappeared simultaneously with the departure of Jordan which seems to indicate that he had taken same.

I would ask you to kindly have enquiries made at pawn-shops for the rat skin coat and suit, also at Banks and brokers offices to ascertain if any attempt has been made to dispose of these bonds. The thousand dollar bond is registered and cannot be legally transferred without the signature of the owner.

Jordan claims to be a blacksmith by trade, and is described as follows:- Age, 27; weight, 170 lbs. height, 5 feet, 9 inches; fair complexion, blonde hair, smooth shaven, stocky build, wore fawn coloured fedora hat, fawn coloured striped shirt, blue serge suit, tan socks, chocolate coloured shoes, has black club bag, dark tan suit case, and canvass roll, also carried check mackinaw coat. If you locate this man please search him and his baggage for the stolen property, and if any of said stolen property should be found, arrest him and telegraph me. Any assistance you can give me in connection with this matter will be greatly appreciated.

Your obedient servant,

CHAS. A. MAHONY,

Supt. Sask. Provincial Police.

My dear Chief:

I wish to express to you and Captain Petersen and Captain Bock, and in fact to all your force, my very deep appreciation of the way in which you handled all matters, and every detail during the President's visit to the City of Oakland.

It may interest you to know that the President graciously and favorably commented on the arrangements and the detail with which they were carried out. He was very much pleased with everything and personally I wish credit to be given to those who were so largely responsible for the successful and pleasing greetings extended by the City of Oakland to our President.

Very sincerely yours,
ROBERT M. FITZGERALD,
Chairman, Presidential Reception Committee.

Sept. 19, 1919.

J. F. Lynch, Chief of Police,
Oakland, California.

My dear Chief:

Please accept my congratulations upon the manner in which you and the Oakland Police Department handled the visit of President Wilson to Oakland.

The policing of the streets and the handling of the crowds was perfect.

Eastern press correspondents, assured me that the meeting at the Auditorium was one of the finest of the President's tour, and the success was in no small degree due to the regulations planned and carried out by you and your splendid force.

I was mighty proud of Oakland last night.

Very sincerely yours,
JOSEPH E. CAINE, Managing Director,
Oakland Chamber of Commerce

I desire to express my sincerest thanks to the officers and members of the Oakland Police Department for the splendid manner in which every man performed his exacting duty on the occasion of the recent visit of President Woodrow Wilson to Oakland.

The trip to the City of Berkeley and return and the handling of the immense throng at the Municiple Auditorium which was addressed by the President, was directed in a masterly manner by our officers.

The painstaking, intelligent and highly efficient work of every member of the force, caused immeasurable praise to be bestowed on our Department and reflected the greatest honor upon our fair City.

J. F. LYNCH, Chief of Police.

"J. F. Lynch, Chief of Police,
"Oakland, California.
"Sir:

"You have asked whether or not there should be a collection of the municipal liquor license from sellers of beer which contains an alcoholic contents of less than one-half per cent.

"Beer containing alcohol is a malt liquor, even if the quantity is less than three per cent. (State v Hemrick 161 Pac. 79; LRA 1917 B. 962.) A malt liquor is not necessarily intoxicating, as is shown by the numerous authorities cited in the Hemrick case.

"IT IS MY OPINION, THEREFORE, THAT THE MUNICIPAL LIQUOR LICENSE SHOULD BE COLLECTED FROM SELLERS OF BEER CONTAINING ANY QUANTITY OR PERCENTAGE OF ALCOHOL.

"Yours very truly
(Signed) "H. L. HAGAN,
"City Attorney."

Kindly give this matter your prompt and careful attention.
